## COMMENTS

The Public Representative has reviewed the Postal Service's Notice of Amendment to Priority Mail Contract 690 and the financial data filed under seal with the Postal Service's Notice. Based upon that review, the Public Representative concludes that Contract 690 , as amended, should continue to generate sufficient revenues to cover costs and thereby satisfy 39 U.S.C. § 3633(a) and thus should be approved by the Commission.

Finally, the Postal Service must file revenue and cost data for Contract 690 in future Annual Compliance Reports. This data will permit the Commission to annually review the financial results for Priority Mail Contract 690 for compliance with 39 U.S.C. § 3633(a).
